

Information at Your Fingertips

Beam App

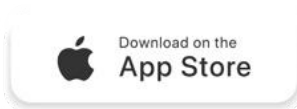

From insurance cards to plan details, everything you need is just a tap away. Available for iOS and Android.

Digital Insurance Cards

Quickly view all of the insurance cards associated with your plan and share them with providers.

Easy Access to the Info You Need

- Find in-network dentists near you including specialists like orthodontists, pediatric dentists, and more
- View claims statuses and track their progress
- Use Beam's Cost Estimator to see estimates for dental check-ups, fillings, and crowns in your area
