WinStar INSURANCE GROUP™

CHILD CARE CENTERS

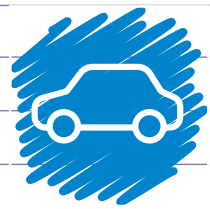
GENERAL

We offer enhanced liability coverage to address the myriad of liability exposures including: General Liability, Abuse & Molestation, Professional Liability, Cyber, and Employment Practices.

*Umbrella Coverage is also available over General Liability, Auto Liability, and Employer's Liability.

PROPERTY

Coverage is provided for the building, contents and outdoor equipment (including playgrounds and fencing). Our property enhancement addresses the specific needs common with most child care operations.



AUTO

We provide auto insurance for the vehicles used to transport children. We also provide hired and non-owned auto liability which covers privately owned vehicles when they are being used for company business.

ACCIDENT

Accident medical insurance covers a child's medical expenses if they are injured under your center's care. This no-fault coverage pays out before it reaches your liability policy.

WORKERS' COMP

Provides medical coverage for your employees if they are injured on the job. Our goal is to assist you in getting your workers back to work quickly and safely.
